1 Introduction

Welcome to StationX! Thank you for choosing our platform for your gaming and merchandise needs! This manual will show you how to navigate through our website and use its features.

1.1 About Us

It's Not a Bug is a game distribution company located in Pensacola, Florida. Our web application, StationX, is designed to provide you with a simple and secure shopping experience. On our website, you are able to manage an account, purchase products, and view gaming news.

2 Getting Started

2.1 Creating an Account

In order to purchase any of our products and view all available pages on our web application, you will need to create an account. To do this, you will need to click the Login/Sign up button on the right side of the navigation bar, shown in Figure 1 after you have navigated to the home page.

Figure 1. Login/Signup Button located in the navigation bar

After you click this button, you will then be directed to the login page. On this page, shown in Figure 2, you can create an account or log in. If this is your first time visiting, please create an account to begin your registration.

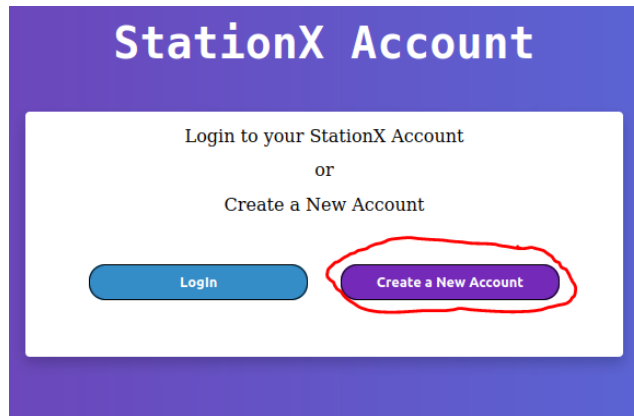

Figure 2. Create an account or log into your account

After selecting Create a New Account, you should now see the Create Account Form, depicted in Figure 3, where you will enter your first name, last name, email, date of birth, a unique username, and a password. It is important to note that the username must be unique. After you have completely filled out the required fields, press the Sign Up button.

A screenshot of the "Create StationX Account" form. The form has a title "Create StationX Account" in bold black text. Below the title, there are six input fields with labels to their left: "First Name:", "Last Name:", "Email:", "Birthday:", "Username:", and "Password:". The "First Name" field has a placeholder "First Name". The "Last Name" field has a placeholder "Last Name". The "Email" field has a placeholder "Email-Address". The "Birthday" field has a placeholder "mm / dd / yyyy". The "Username" field has a placeholder "2 to 12 Characters Long". The "Password" field has a placeholder "8 to 30 Characters Long" and a small eye icon to its right. Below the input fields, there is a purple "Sign Up" button. Below the "Sign Up" button, there is a link "Already Have An Account?" and a blue "Login" button.

2.2 Logging In

If everything was done correctly, you will be redirected to the login page, shown in Figure 4, where you will input your newly created username and password in order to sign in to your new account.

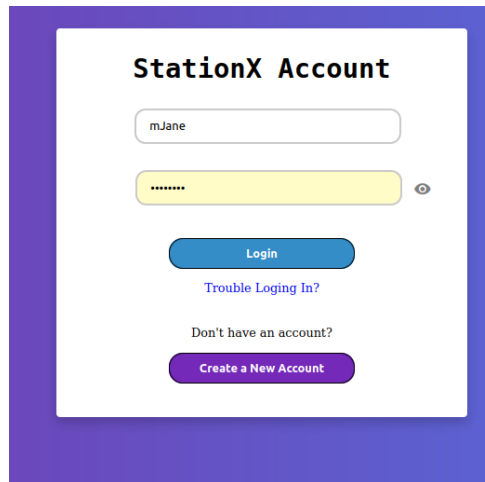

The image shows a login page for 'StationX Account'. It features a white rectangular form centered on a purple background. At the top of the form, the text 'StationX Account' is displayed in bold. Below this, there is a text input field containing the username 'mJane'. Underneath the username field is a password input field with a yellow background and masked characters '*****'. To the right of the password field is a small eye icon. Below the password field is a blue 'Login' button. Under the 'Login' button is a link that says 'Trouble Logging In?'. Below that is the text 'Don't have an account?'. At the bottom of the form is a purple 'Create a New Account' button.

2.3 Viewing Games/Merchandise

Selecting the Games/Merchandise button in the navigation bar will bring you to the games/merchandise that we currently have available. Each piece of merchandise will have a product thumbnail, an example is shown in Figure 6. In this thumbnail, you will see an image of the product, the name of the product, the price of the product, and you will have the option to view the product or add it to your cart. By selecting Add to Cart the product is immediately added to the user's cart. By selecting View Product, the user will be redirected to the product's page.

If you still wish to purchase this game/merchandise after being redirected to the product's page, the user can select the Add to Cart button at the bottom of the webpage.

2.4 Viewing Your Cart

To view the current state of your cart, you can click the shopping cart button on the far right of the navigation bar. This will display each item you have added and what your total amount will be. If you decide to change your mind, you

can delete items from the cart that you no longer wish to purchase. Your total price will update automatically.

2.5 Viewing the NewsFeed

On our website, you can also view news related to your favorite games! To do this, simply click on the NewsFeed button on the left side of the navigation bar. On this page, we will also send out updates to our customers regarding website scheduled maintenance sessions or upcoming sales!

3 Profile Changes

To view what your current profile looks like, click on the Account button on the right side of the navigation bar. Then, select Profile. The Profile page will then be displayed to the user. This page shows the UserName, Name, Birthday, and Email of the currently logged-in user. An example of this page is shown in Figure 8. It should be noted that to do this action, you must be signed in to a valid account.

3.1 Changing Your Password

To change your password, click on the Change Password button. You will then be brought to this screen:

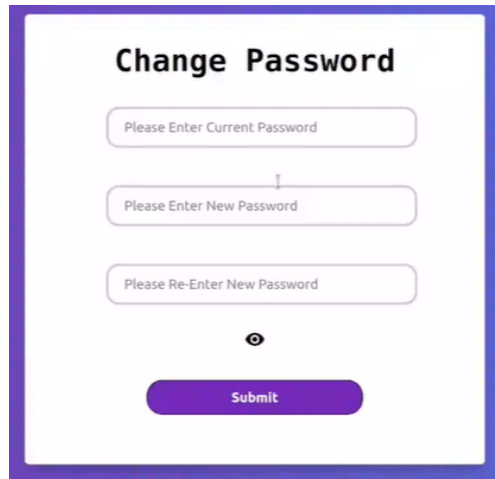

The image shows a 'Change Password' form with a purple border. At the top, the title 'Change Password' is centered. Below it are three input fields: 'Please Enter Current Password', 'Please Enter New Password', and 'Please Re-Enter New Password'. A small downward arrow points from the first field to the second. Below the input fields is a purple 'Submit' button. A small eye icon is located above the button.

Figure 10. Change Password Form

The new password you create must meet the current password requirements. The new password must be entered twice for confirmation purposes and it must match. Once you submit these changes, you will then be redirected to the Profile page.

3.2 Updating Your Profile

To update your profile, click on the Update Profile button located on the Account Settings page. You will then be routed to a page that looks like Figure 11. You can select any of the options, which will be explained in the following subsections.
